Neymar da Silva Santos Júnior was born on February 5, 1992 in Mogi das Cruzes, in the state of Sao Paulo, Brazil. Moving with his family to Santos in 2003, the young Neymar joins the local soccer team: from an early age he demonstrates his skills and, at the age of fifteen, after having completed an internship in Spain with Real Madrid, wins 10,000 reais per month.

He joined the Santos first team at age seventeen, making his league debut on March 7, 2009; Already in his second game, he connects, scoring against Mogi Mirim. In the same year, he participated, wearing the Brazilian shirt, in the U-17 World Cup, debuting against Japan and soaking his debut with a net.

In 2010, he won the Brazil Cup with Santos, defeating Vitória in the final, and the Paulista Championship: Neymar is the top scorer of the competition, with 11 goals, and is the best player of the event. Then he was one of the protagonists of the South Americans under 20, scoring four goals against Paraguay and also entering his name in the list of scorers against Colombia, Chile and Uruguay, contributing to the achievement of the final title: he was the highest scorer the most prolific of the tournament with nine goals.

After competing for the Copa América with the Brazil jersey, in 2011 he participated in the Club World Cup: he scored the semi-final goal 1-0 against Kashima Reysol, despite Santos losing in the final against Barcelona. Therefore, the year 2011 ends with 24 goals and 47 appearances: in the championship, Neymar is the player who suffered the most fouls.

Neymar, when he plays the 2014 World Cup in his own Brazil, already in the first round against Croatia, Mexico and Cameroon, shows with his spectacular movement, to the point that bookmakers consider him the favorite to win the title of gunner. of the world championship. Unfortunately, his world championship ends in the quarterfinals when a blow to the back gives him a fractured vertebra and a month of detention.

In 2015, he won the Champions League with Barcelona, ??playing and scoring in the final against Juventus. In the summer of 2017, he announced his transfer to PSG for 222 million euros.

On August 20, in a match against Tolosa (finished 6-2 by a pair), the acronym is his first word with PSG. September 13 was the same with New Zealand in the Champions League, receiving the 5-0 goal inflated by Celtic balls. Complete the gironi phase of the continental competition mass with 6 goals and 4 assists.

The Barcelona board of directors has been planning the 20/21 season since January 2020 with a name in the first place Neymar Jr, it will be a priority again after a season where he was about to return but finally there was no convenient agreement for both clubs.

In the summer of this year 2020 PSG is aware that it must sell to a player who has made it clear, they are not happy there and therefore they will focus all their attention on keeping the French jewel Mbappe as the standard bearer for

their project.

The price that is proposed for Ney to leave PSG since his level remains the same and nothing extraordinary occurs is 180 million euros, which is about 42 million less than what came from the Barsa to Paris in 2017. The way of payment that Barcelona offers is to pay in parts, the first part in this next summer market and the last part for the next summer of 2021. This would be Barcelona's strategy to finally be able to get Paris Saint Germain to accept the offer for Neymar Junior and finally bring him back!

It has already been confirmed that the leagues will be played behind closed doors this year 2020, at the Premier League one of the great footballers of Liverpool Mané commented that he is afraid that this year's Premier League will be canceled.
